 [Curriculum Vitae](#)

A board-certified internist and medical oncologist, Jeffrey Turner, MD, has been specializing full time in the treatment of prostate cancer since 2009. He joined Prostate Oncology Specialists, Inc., Marina del Rey in December 2012.

Dr. Turner is an active member of the American Society of Clinical Oncology, American Society of Hematology and American College of Physicians-Internal Medicine. He has written various publications on urologic cancers with an emphasis on prostate cancer and is a sub-investigator of a number of ongoing prostate cancer clinical trials. In addition to his physician duties, he is a guest speaker at various prostate cancer support groups.

Dr. Turner graduated cum laude and was the first student to graduate with a bachelor's degree in biological sciences at USC's three year accelerated science program. Thereafter, he was a research associate at UCLA in infectious diseases and molecular biology. He then earned his medical degree in Canada at Memorial University of Newfoundland. He completed his internal medicine residency at the University of British Columbia and fellowship in medical oncology at the Medical University of South Carolina.
